

EYELASH AFTERCARE INSTRUCTIONS

FIRST 24 HOURS:

- Avoid moisture, hot showers, saunas, swimming pools and steam facials.
- Avoid makeup around the eyes.

MAINTENANCE:

- We recommend a follow up appointment every 2-3 weeks.

LASH CLEANING:

- Clean your lashes with lash cleanser at least every other day. You can do this with your fingers or a brush. If you wear eye make-up daily, they need to be cleansed daily.
- Allow your lashes to dry before brushing them into place with a spoolie. Brush as needed throughout the day.

GENERAL CARE:

- Avoid mascara.
- Do not use oil based products around your eyes, only use water based eye makeup remover or use a lash cleanser to remove makeup around the eye area.
- Never use an eyelash curler on eyelash extensions.
- Use a gentle lash cleanser and a brush to gently wash your eyes.
- Do not rub, pull or pick eyelash extensions.
- If there is a need for removal of extensions, please see a Vi licensed professional.
